**INTERNATIONAL PLAYERS
OFFICIALLY RELEASED**

**Reorganization of Defunct
League Scheduled for Next
Wednesday at New York.**
New York, March 30.—The national
baseball commission has announced
the following on the collapse of the
international league:
"The commission rules that through
its (the international league) plan to
reorganize and protect the national
agreement rights of its players all
rights to reserve players have been
forfeited and that all players of its re-
spective clubs are therefore free agents
and eligible to contract with other na-
tional agreement clubs, except those
drafted or recalled by major league
clubs. Contracts for 1913 entered into
with other clubs by players of the
international league before the pro-
mulgation of this ruling are declared
void."

In explaining its ruling the commis-
sion stated:
"As a result of the failure of the
international league to arrange its cir-
cuit and adopt a schedule for 1913,
many of the reserved players of its
clubs have applied to the commission
for a ruling relative to their status.
In some instances it is represented
that the respective clubs of complain-
ants are in arrears to players for 1913
salaries and in other cases the reserv-
ing clubs have failed to tender con-
tracts for the coming season up to
date. Investigation establishes that
many claims of the complainants are
true. In the meantime players of the
international league teams who have
received offers from other national
agreement clubs have been unable to
accept them."

Promoters of the new international
league are to hold a meeting here next
Wednesday to perfect plans for re-
organization. Applications for mem-
bership have come from cities in the
old and in the New York State league,
as follows: Baltimore, Toronto, Jersey
City, Newark, Buffalo, Syracuse, Bing-
hamton, Wilkes-Barre, Scranton and
Elmira.

How to Avoid Stomach Troubles.
Digestion begins in the mouth. Food
should be thoroughly masticated. Your
food should be taken in a quiet and
occupation. People of sedentary hab-
its should eat little meat, but should
drink an abundance of water, espe-
cially when they first get up in the
morning and between meals. When
you feel dull and stupid after eating,
that shows that you have eaten too
much. The bowels should be kept
regular. When needed take a dose of
Chamberlain's Tablets. They will im-
prove your digestion and move the
bowels.—(Adv.)

NEWS OF WORLD MARKETS

U. S. STEEL AND RAILS ARE FEATURE STOCKS

New York, April 1.—Reassuring ad-
vice from the western battlefield served
largely to strengthen prices in today's
early stock dealings. No indication of
public participation was visible, however,
in the small volume of business. United
States Steel and standard rails were con-
spicuous features with the copper group
at average gains of a point. In a few
instances, notably General Motors and
Texas Company, advances approximated
2 points. Liberty bonds were irregular.
The heaviness of automobile shares at
extreme recessions of 1 to 2 1/2 points un-
settled the general list in the early after-
noon. Reading and other rails yielded
large fractions to a point and low-priced
specialties developed reactionary tenden-
cies.

The increased heaviness of motors in
the last hour was balanced by further
gains in tobacco and moderate in-
quiry for Central Leather and American
Telephone. The closing was firm. Lib-
erty 3 1/2% sold at 98.90 to 99, first 4% at
98.92 to 97.06 and second 4% at 98.90 to
97.06.

GRAIN PRICES SHOW RENEWED STEADINESS

Chicago, April 1.—Grain prices showed
steadiness today, apparently awaiting
military developments in Picardy. Corn
started a trifle easier, influenced by fa-
vorable weather, but soon rallied as a re-
sult of scattered purchasing. Opening
prices, which exhibited 1/4 decline, with
May at \$1.25 1/2, were followed by a rally
to above Saturday's closing figures.
Auspicious field conditions had only a
transient bearish effect on corn. Pro-
visions weakened owing to a falling
off in shipments.
Prices closed unsettled, 1/4 net lower,
with May \$1.25 1/2.
